

200 Days Preparation Strategy

CAT - Quants

By- VINIT KAKRIYA

Quant Sections :

1. Arithmetic
2. Algebra
3. Number System
4. Geometry
5. Modern Maths

10th May to 18th July Plan (70 days Plan) :

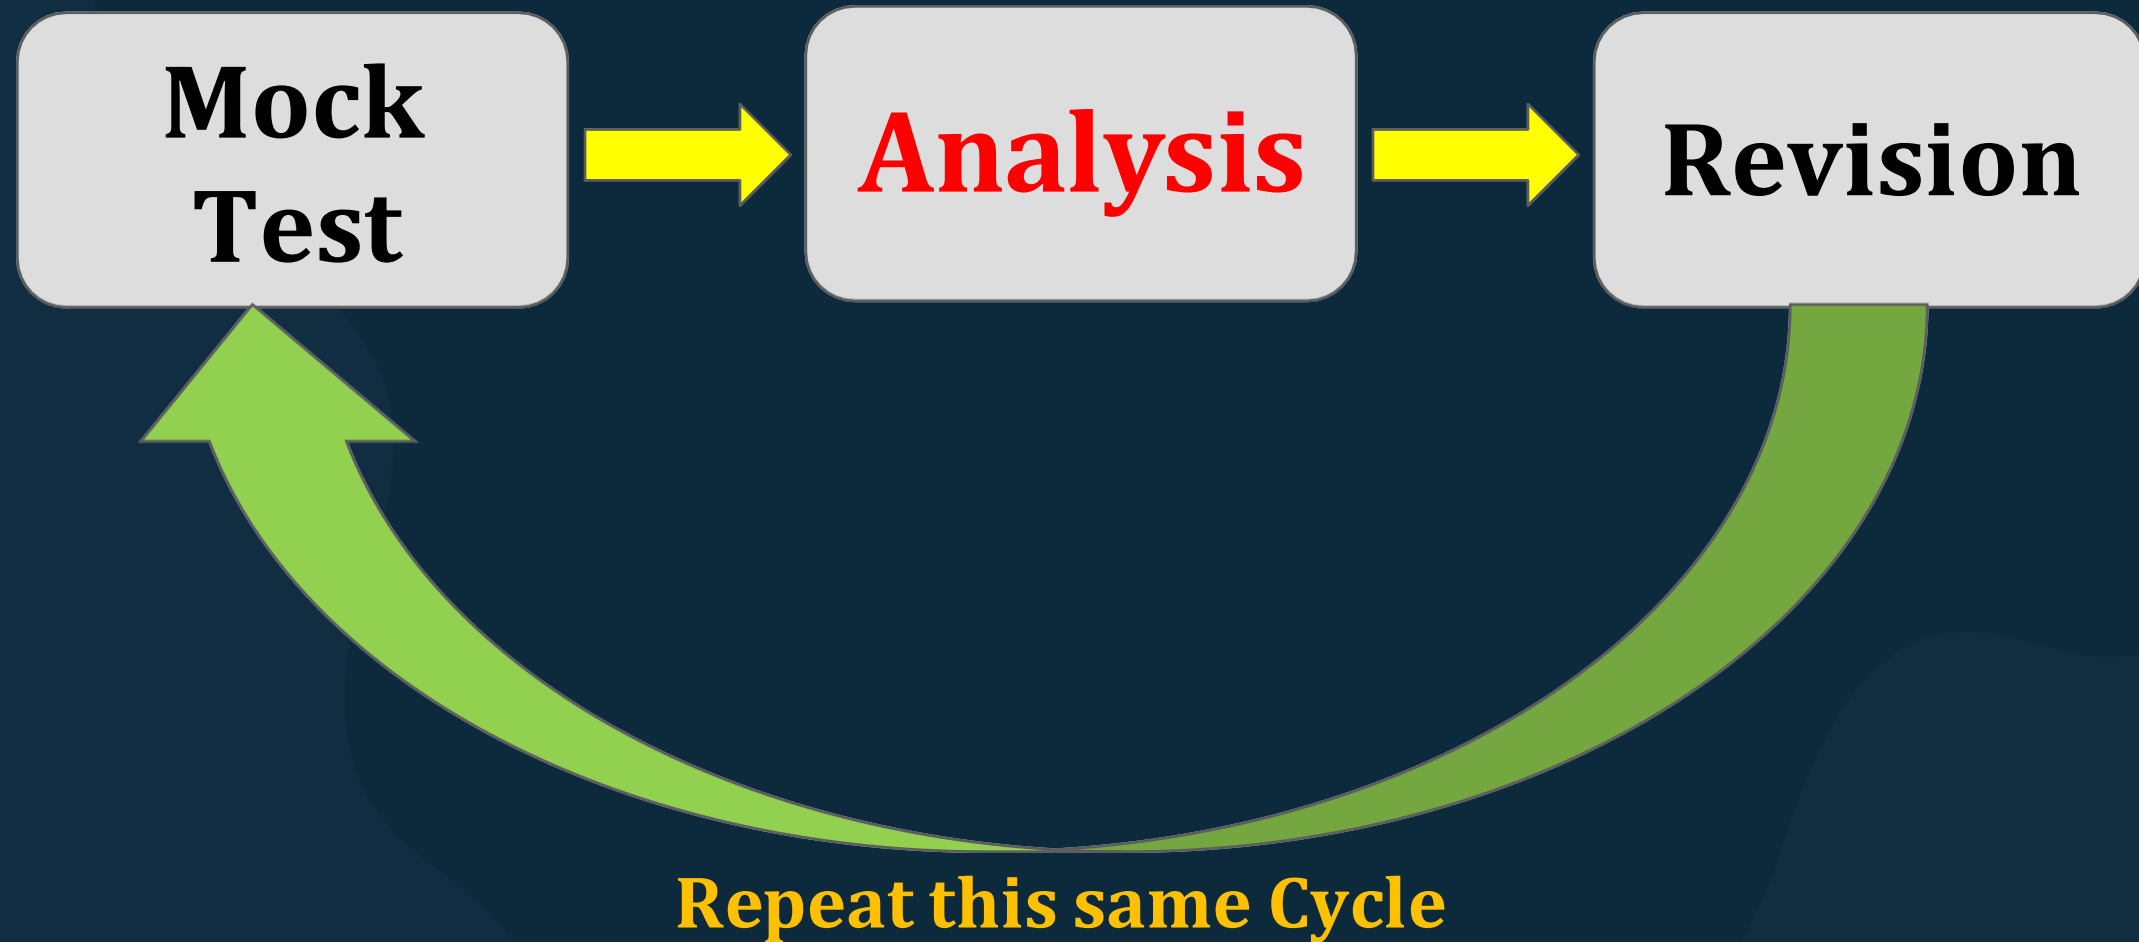

Arithmetic	Days Required	Algebra	Days Required
1) Percentages	3 days	10) Exponents	2 days
2) Ratio Proportion	4 days	11) Linear Equations	3 days
4) Averages	2 days	12) Quadratic Equations	4 days
5) Simple & Compound Interest	4 days	13) Inequalities	4 days
6) Mixture & Allegation	4 days	14) Modulus Functions	3 days
7) Profit & Loss	3 days	15) Logarithm	3 days
8) Time Work & Pipes Cistern	5 days	16) Function (Misc.)	3 days
9) Time Speed Distance	6 days	Algebra Revision	7 days
Arithmetic Revision	9 days		
Total	40 days	Total	29 days
Mock Test & its Analysis (18 th July)			

19th July to 16th Sept Plan (60 days Plan) :

Geometry	Days Required	Modern Maths & Number System	Days Required
17) Triangles	5 days	22) Sequence & Series	5 days
18) Circles	3 days	23) Factors & LCM HCF	3 days
19) Quadrilaterals & Polygons	3 days	24) Remainder Theorem & Unit Digit Theorem	3 days
20) Coordinate Geometry	4 days	25) Permutation & Combination	3 days
21) Mensuration	2 days	26) Probability	2 days
Geometry Revision	5 days	27) Trailing Zeros & Maximum Power Theorem	2 days
Arithmetic & Algebra Revision	6 days	Full Revision	10 days
Mock Test & its Analysis	1 day	Mock Test & its Analysis	1 day
Mock Test & its Analysis	1 day	Mock Test & its Analysis	1 day
Total	30 days	Total	30 days

From '17th Sept' to 'JAB TAK HAI CAT' :

Thank
You
